#### **HEALTH GUARANTEE & TRANSITION**

Country Bumpkin Bunnies guarantees that the above-mentioned rabbit will arrive to its new home in good health, with an additional seven (7) day health guarantee following pickup or delivery. This guarantee is void if the rabbit is boarded after leaving our care.

The buyer agrees to follow all transition guidelines provided by Country Bumpkin Bunnies upon receiving the rabbit. Proper transitioning is critical, as rabbits are sensitive to environmental changes. Most rabbits should be settled within seven (7) days of arriving in their new home.

If the buyer follows all transition guidelines, remains in communication with Country Bumpkin Bunnies during this period, and the rabbit passes away due to stress-related causes, Country Bumpkin Bunnies agrees to replace the rabbit at no additional cost with another rabbit of equal value. This replacement may occur immediately or up to one (1) year from the date of loss. This guarantee is void if the buyer declines to select a replacement rabbit.

Country Bumpkin Bunnies may assist with transportation arrangements if needed; however, all transportation costs are the responsibility of the buyer.

#### **BREEDING & SHOW QUALITY DISCLAIMER**

Country Bumpkin Bunnies does not guarantee breeding or show quality at maturity for any rabbit sold. While a rabbit may exhibit strong potential at a young age, many factors including diet, grooming, environment, and overall care can influence development over time.

All rabbits are sold as pets and companions, even when provided with a pedigree. The buyer may choose to pursue breeding or showing; however, no guarantees are made regarding future quality, performance, or suitability.

## **PAYMENTS & DEPOSITS**

Deposits are accepted only for rabbits under eight (8) weeks of age. Once a rabbit reaches eight (8) weeks of age, full payment is required.

No rabbit will leave the care of Country Bumpkin Bunnies until payment has been received in full. Rabbits are eligible to go home at eight (8) weeks of age.

Deposits are non-refundable and non-transferable to another rabbit, except in the event of illness or death while the rabbit is in the care of Country Bumpkin Bunnies. In such cases, the buyer may transfer the deposit to another available rabbit or remain on the waiting list.

## **WHAT YOUR RABBIT COMES WITH**

All rabbits are sold with a full pedigree.

Prior to leaving our care, each rabbit will have received:

- At least one BunnyVac vaccination
- Preventative treatment for ear and fur mites
- Multiple grooming and coat maintenance sessions
- A sample of the transition feed the rabbit has been raised on

## **PICK-UP & TRANSPORT REQUIREMENTS**

Once a bunny is purchased, the buyer is responsible for arranging and scheduling pick-up or transportation. If transportation is being used, the bunny must be picked up by 12 weeks of age unless prior arrangements have been made and approved by Country Bumpkin Bunnies. If the bunny is not picked up by 12 weeks of age and no communication has been made, the bunny may be made available to other buyers, and all payments made will be forfeited.

If picking up in person, the buyer must bring a secure and appropriate carrier for safe transport. For the safety and well-being of the bunny, holding the rabbit in your lap or allowing it to sit freely in a vehicle is not permitted, as this can cause unnecessary stress and potential injury.
